

DOCTOR MANZANA

Masquespacio presents their latest project realized for Doctor Manzana, a store specializing in technical services for smart phones and tablets, as well as a seller of design gadgets for mobile devices. The project reflects the redesign of Doctor Manzana's branding and the realization of the design for their first point of sale located in Valencia, Spain.

*Design Agency:* Masquespacio *Design:* Ana Milena Hernández Palacios *Photography:* David Rodríguez *Client:* Doctor Manzana
