COLOUR SPLASH

Intended to create a homely ambience for guests, Spanish design agency Masquespacio carefully studied the original features of 20th-century Valencian homes - including vintage cement tiles, plaster moulds and decorated ceilings - and recreated a contemporary interior brightened up by bold graphic patterns for the Valencia Lounge Hostel. All the lamps, tables and decorative elements were exclusively designed by the agency. | 西班牙設計公司Masquespacio為打造出窩心的家居格調，仔細研讀20世紀巴倫西亞家居的原裝特色——復古水泥磚片、灰泥鑄模和裝飾天花——再混合矚目圖紋，為Valencia Lounge Hostel活現出當代室內裝潢。所有燈具、桌子和裝飾元素均由公司特別設計。 masquespacio.com
